(507) 452 - 6928

THE ST. MARTIN'S DIFFERENCE:

Do you want your child in a loving environment in which student spiritual development is nurtured?

That is the fundamental difference between a public school

education and a St. Martin's education.

The Bible is the foundation for all student learning, how students are taught right from wrong and how we value each other as fellow children of God.

ST. MARTIN'S LUTHERAN
